

《大连理工学报》被仿冒

近日，5GH 团队得到消息显示，《大连理工学报》的主页被仿冒。

The screenshot displays the website for the Journal of Dalian University of Technology. At the top, it shows the ISSN: 1000-8608 and the journal title. Below the title, there is a navigation menu with links for HOME, SUBMISSION, ABOUT JDUT, ARCHIVES, CURRENT EDITION, and CONTACT. The main content area features the journal title in large green letters, a Scopus Preview logo, and the text 'Source details'. Below this, it identifies the journal as 'Dalian Ligong Daxue Xuebao/Journal of Dalian University of Technology' and provides a Scopus link: <https://www.scopus.com/sourceid/20702>. A sidebar on the right contains 'IMPORTANT LINKS' such as Home, Aims and Scope, Peer Review Process, and 'AUTHOR RESOURCES- DOWNLOAD HERE' with links for Paper Format and Registration Form.
